## 49% Of Seniors Going On To School

Just over 49 percent of this year's senior class at Andover High have been admitted to an institution of higher education - requiring a high school diploma for admittance.

Forty of the 120 seniors, or one-third, have been admitted at four-year, degree-granting colleges or universities; seven have been admitted to junior colleges, representing 5.8 percent of the class; five, the equivalent of 4.2 percent, are going to schools of nursing; and 5.8 percent, or seven students, will attend secretarial schools.

The Guidance Department, which released the list of students, does not yet have full data on the

amounts of scholarship awards. This will be announced later, as will the names of several students whose applications for admission have not yet been acted upon. William Igoe, director of guidance, explained that the number of admissions this year "is rather good", based on the keen competition for college entrance. Colleges and universities, he continued, require just about the same subject preparation as in former years, but have raised their standards and are more highly selective.

### Attending College

The seniors, and their schools, follow:

Patricia Adams, University of Massachusetts; Jacqueline Bamford, Lesley College; Constance Barry, Salem Teachers College;

Jane Beavan, Lowell Teachers College; Ann Berthold, Antioch College; Edward Bolia, University

## Name Four Agencies As Brokers For Insurance

Four insurance agencies have been designated "brokers of record", to share in commissions payable by the Boston Mutual Insurance Co. on the life insurance portion of the town employees' coverage.

A representative of that firm asked the Selectmen to specify the brokers who will share in commissions. Listed on the firm's bid were James Doherty and Arthur Collins. But it was explained that the Selectmen have

the authority to name those local brokers of their choice, and need not accept just the names listed on the bid.

Without discussion, Selectman Philip K. Allen moved and the Board voted that the four agencies, whose representatives have served on the insurance advisory committee, be designated. They are the Barnard Agency, Smart and Flagg, Doherty Insurance Agency and Douglas Howe.

## Local Boys To Graduate Friday

Phillips Academy celebrates its 181st Commencement Exercises Friday morning in the Cochran Chapel, with Bishop Henry W. Hobson presenting the diplomas, and John Mason Kemper, headmaster, delivering the Commencement address.

Festivities begin for the graduating class tonight with a Faculty Reception and a dinner for the seniors and their families in the Memorial Gymnasium.

The Senior class will put on its traditional Senior Class Play, entitled this year, "Gray Flannel Mortarboard". It is an original musical, written by Samuel Abbott and Patrick Cary-Barnard.

Thursday night will end with the traditional Candlelight Communion Service in the Cochran Chapel for the seniors and their

## Rev. Penney Is Leaving Andover

REV. HUGH B. PENNEY

The Rev. Hugh B. Penney, pastor of the West Parish Church, has announced his acceptance of a call to the pulpit of the First Congregational Church in Holden. His resignation will take effect Aug. 16.

During his pastorate of more than five years, the West Parish Church has continued to grow in

## EDITORIAL THOUGHTS

### Town Meeting Fate Up To You

It's your personal responsibility to be certain that the special town meeting next Monday evening, at 7:30 in the Memorial Auditorium, succeeds in getting started with a quorum.

This meeting is unusual - it's main purpose is to save money, not to spend more. Presumably the meeting, if it gets started at all, will act favorably on the article to withdraw from the mosquito control project - thus saving money, without interfering with any actual control program.

Every voter - each of you - should look at this meeting as a personal challenge. Ask yourself: "Will it fail of a quorum, because of me?"

Your attendance is vitally important.

Cub Pack 71 will hold a picnic at the Wild Rose Farm Saturday. Cubs are asked to assemble at the corner of Lowell and Poor sts. at 10 a.m. Transportation will be provided by members of the Pack committee.

During Monday's meeting, Mr. Donovan agreed that he had listed the reason for taking the gravel as being necessary for Route 93. It was later turned down, he told the Board. Now, however, he stated that the gravel has been approved for use by the Essex Bituminous Co. at the Essex Sand and Gravel pit.

The Selectmen explained that the tree stumps, limbs and branches have helped to create what they termed a nuisance and a problem of safety, and have resulted in more water than usual being held on the land.

They also referred to neighbors' complaints that the sand blown off the area whenever there is a breeze, creating a nuisance nearby.

Mr. and Mrs. Paul Battenhouse of Montclair, N.J. visited with friends in town during the past weekend.

### Order Contractor To Begin Work

A contractor involved in the Sherry gravel pit on Andover rd. has been instructed to start working the pit on or before June 15, and to continue the operation with all possible speed, by the Board of Selectmen.

The vote was taken after John Donovan, Mr. and Mrs. Frank R. Sherry and Town Counsel Frederick S. O'Brien discussed the pit with the Selectmen.

Donovan appeared after receiving a registered letter, a copy of which was sent to his bonding company, suggesting that problem associated with the pit needed clarification. The letter had also suggested that the Selectmen needed information, in order to make a decision on a possible revocation of the permit and forfeiture of the bond.

Mr. Donovan promised the Board he could begin working the pit by June 15. He agreed that there had been cut last August and September and that nothing had been done since. And he also agreed with statements that stagnant water is present on the site.

Mr. Sherry only commented that he wants to see the work begin. He had appeared before the Board last week, asking for help in that regard. He said then that if Mr. Donovan didn't want to operate the pit, and relinquished his contract, he would see that the gravel was sold and removed as speedily as possible.

## What's cooking at the CO-OP?

There's a lot on the fire at the CO-OP these days. On the front burner is our new parking area. Here's the story:

1. We've bought two house lots - one adjacent to the CO-OP and the other around the corner on Chestnut St.
2. To serve as a connecting link between these two lots, we leased land to permit a smooth flow of traffic.
3. Our engineers drew up plans providing convenient parking facilities for CO-OP customers - some 75 spaces in all. (That's a lot of customers!)
4. Right now, contractors are busy grading.
5. As soon as the hot top is ready, we will have the best parking in the center of town - to make it more advantageous than ever for you to Shop CO-OP.

## Neighbor Objects To Road Condition

The Realty Construction Co. will be asked to clear up the intersection at Dascomb and Lovejoy rds., after a complaint by Mr. and Mrs. George Moss of Dascomb rd.

Appearing before the Selectmen, Mr. and Mrs. Moss said the area is very dusty, to the extent that windows must be kept closed during any hours that cars or trucks use the roads. Mr. Moss said gravel and other materials have fallen from the trucks, resulting in a cloud of dust anytime a car passes through the materials.

Acting Town Manager Victor Mill Jr. was instructed to write to the firm, asking to have the situation remedied.

Mr. and Mrs. Charles Mothes of Hudson enjoyed the weekend with Mr. and Mrs. Fred Tarbox of Cutler rd.

## Error Corrected

It was also pointed out that a three-page letter of instructions and information prepared by the insurance companies, over the signature of the Selectmen, had erred in the presentation of the Blue Cross-Blue Shield surgical plan.

The bid was on the basis of a \$500 surgical schedule, but the presentation to employees listed the schedule at \$300.

A letter of correction has been received by the Selectmen, and the proper schedule will be included in a brochure, which will be distributed at a later date.

## Finds Way To Donate Land

The way apparently has been cleared for town action on a piece of swamp land, which Mrs. Sam Youmans has been trying to give to the Andover Village Improvement Society.

Appearing before the Selectmen Monday night was Mrs. Virginia Hammond, who has been attempting to find a solution to Mrs. Youman's unusual problem.

The 20-acre tract along Greenwood rd., she explained, had been assessed for a water betterment before action could be taken by Mrs. Youmans to give it away. She had applied for an abatement, which was granted, but this only lessened the amount of the betterment.

At the moment, she continued, there are about \$1,500 outstanding on the property — one year's taxes and the betterment. Mrs. Youmans has no use for the land, Mrs. Hammond stated, but can't give it to the Society with the taxes and betterment assessment applied against the property.

The Selectmen agreed, without binding the town, to approve a method of transferring the property, suggested by Town Counsel Fredric S. O'Brien.

This involves appropriating the specific sum of money at the regular town meeting, and purchasing the land from Mrs. Youmans. She would then pay the amount to the town, clearing the land, and Mrs. Youmans, of any assessments. Then the town could give, or sell the land to the AVIS.

The agreement to work out the problem in that manner, although binding on Mrs. Youmans, would not bind the town until town meeting approves the step next March. This procedure was said to be the only way that the land can be transferred to the Society without subsequent legal involvement concerning payment of the assessments.

## CLEARING AWAY MOST DETAILS

Acting Town Manager Victor Mill Jr. reported to the Selectmen Monday night that he will meet with the Department of Public Works tonight, instead of the usual Tuesday session. This is being done to clear away details, as much as possible, prior to the arrival of Thomas E. Duff, the permanent manager, on Monday.

## Delay Decision On Watson Pit Permit

A decision on the application of Joseph Watson for a gravel pit on Lowell st., to finish the second half of a pit he was allowed to operate under the former Board of Selectmen, has been deferred for a week or two.

The Selectmen have agreed to draft a new set of requirements for all gravel pits, and wanted to do this before issuing Watson's, or any other pit permit.

However, the Board did agree to approve a pit across from Howard Johnson's, at the By-Pass, for Max Siegel. Suburban Excavators will remove the gravel for the new road.

Members agreed that this is a levelling proposition, rather than digging into the surface. And, as such, they felt that permission could be granted on the old permit forms.

It was also reported that Suburban has completed about three-fourths of the work at the Benevento pit at the North Reading line, as required by the Board. The company has also done considerable work in straightening out a pit in West Andover, it was stated.

Selectman Edward P. Hall had warned the firm that no new permits would be issued unless work was well underway on the old pits, in conformance with requirements set forth in the original agreements.

## Rescind Vote On Assistant Inspector

The appointment of Bernard Magane, present assessor's engineer, as assistant building inspector, has been rescinded by the town manager, Victor Mill Jr., on the advice of the Selectmen.

It was explained that the Per-

sonnel Board had abolished the position some time ago.

Mr. Magane was appointed last week to the position he formerly held. It was decided Monday to await a study by the permanent town manager before taking further action.

The Personnel Board said the action was taken because the members felt a full-time town employee should not be paid for an extra job, to be done in the same hours for which he is already being paid.

## Friendly Guild Will Meet For Dinner

The Friendly Guild of Christ Episcopal Church will hold its final get together and dinner at the Towne Lyne House in Lynnfield Monday, June 8, at 7:45.

All members will meet at six o'clock sharp in front of Christ Church. The committee includes, Mrs. Homer Wadman, chairman,

Mrs. John Mooney, Mrs. Alan Waters and Mrs. James White.

## Health To Be PTA Subject

"Your Child and the School's Health Program," is the subject for the program for the South Elementary PTA meeting Thursday night.

Donald Dunn, director of physical education and athletics; Mrs. Gertrude Stewart, school nurse; Dr. John J. McArdle Jr., school physician; Dr. William V. Emmons, visual consultant; and Miss M. Augusta Breck, dental hygienist, will discuss the services and program of the various phases of the school health program.

This is the last in the series of programs for the year, planned to acquaint PTA members with the school's program and what it offers their children. Different phases of the various activities, curriculum and services have been explained by staff members and authorities in the different fields. Donald D. Sagaser is program chairman.

The program will follow a short business meeting at which officers of the organization will be elected for the next year.

Refreshments will be served by a committee of kindergarten room mothers under the direction of Mrs. George M. Moss, hospitality chairman.

## GRADUATED FROM SCHOOL OF DESIGN

Anthony Christopher Costello, son of Mr. and Mrs. Philip Costello, 47 Bartlet st., graduated from the Rhode Island School of Design with the Bachelor of Fine Arts degree in Painting at Commencement Exercises May 31, concluding the college's 81st year.

Costello, an active member of the R.I.S.D. Drama Club, played leading roles in several productions and was awarded the R.I.S.D. Theatre Key.

## WOMAN'S UNION TO MEET

The next meeting of the Woman's Union of the West Church will be held Wednesday June 10 at 2 in the Vestry. The Carvell Chapter of the Blind will be the Invited Guests. The meeting is jointly sponsored by the Evening Circle. The entertainment is in charge of Mrs. Richard Williams. The refreshments which will be served following the program will be in charge of members of the Evening Circle.

## GOLDEN AGE CIRCLE MET

## EDITORIAL THOUGHTS

### Let's Get Acquainted

Monday will mark the first day of Andover's operation under a permanent town manager.

On that day, Thomas Duff, formerly manager of Claremont, N. H., will take over the full-time management duties. And already there are many rugged problems he must face; plenty of tough duties to take over.

It'll take time for Mr. Duff to get acquainted with Andover and its residents — and we should not hesitate to be generous in allowing all the time necessary for him to learn the ropes here.

In that vein, we should also remember that getting acquainted is a two-way street. If we, as individuals, don't make any effort to know the man and understand his problems, we can't expect him to do as good a job as we expect.

Let's keep the welcome mat out, taking the necessary time to develop friendship and understanding. There'll be plenty of time later for variances of opinion, but based on a solid groundwork of mutual respect and trust.

### Keep Up The Good Work

We've been pleasantly surprised, as we assume most persons have, to see the vigorous attempt being made in the Legislature to cut back state spending.

For a while there, this spring, it looked as though we weren't going to get less spending — just more taxes. So our hats are off to the coalition of Republicans and Democrats who agree they have no mandate from anyone to maintain a rate of expenditures that will surely drive the state into a fatal financial crisis.

Now it may be true that more taxes will be enacted, because it may be impossible to cut back enough to prevent an out-of-balance budget. But we won't feel quite so badly paying them, knowing that a serious attempt has been made to reduce the expenditures to a reasonable level.

Much of the credit for the recent reductions falls to the Republicans, and Floor Leader Frank Giles of this district. But they couldn't have obtained a majority vote, time after time, without the support of some sensible Democrats who are tired of their governor's incessant clamor for more money.

Rep. Giles deserves a lot of credit for helping to devise, and execute, the plan to reduce the budget by many millions of dollars. And so, too, do the sincere Democrats who are not blinded by party politics, deserve praise.

Stay with it, men.

The Boston and Maine Railroad has proposed to install automatic gates and flashing lights at the Ballardvale crossing, replacing the manually-operated gates. Before this is done, however, the Selectmen have asked for additional information about the safety of this type of crossing guard. They have recalled that many children walk across the tracks every day, to and from school.

The Selectmen have figured out that the cost of operating all town departments comes to \$3,000 daily.

### St. Germain To Head Committee

Chairman John R. Ahern of the Essex County Commissioners has announced the appointment of Merrimack College Professor, and Andover resident, James J. St. Germain, as chairman of a Citizen's Advisory Committee to study the entire penal system in the country.

Chairman Ahern declared, "Essex County is faced with a very serious problem in its correctional department. The modern concept of any such authority is to create a program of rehabilitation so that once an offender has paid his debt to society, he can return to his family and friends confident of his ability to regain a place in life. I am heartily in agreement with such procedures for I believe that the redemption of even one human being is worth any amount of effort. However, I also realize that this can become a major project in a county where the entire penal department consists of two jails that were erected over a 100 years ago, and a prison farm sadly in need of renovation."

"After much thought and investigation, I requested Prof. St. Germain to act as chairman of a county-wide Citizens Advisory Committee whose purpose would be to thoroughly explore this grave situation and to report the results along with corrective recommendations to the County Commissioners. Prof. St. Germain has received our assurance that this committee will be free to function without any outside interference whatsoever. We are sincerely interested in finding a remedy for the present conditions and have every confidence that Prof. St. Germain and the Citizen's Advisory Committee will provide a practical solution."

Chairman St. Germain, 44-year-old professor of political science at Merrimack College, graduated from Providence College in 1936, received a Master's Degree in Government from the University of Connecticut, and has completed additional graduate work in the same subject at Boston University; in 1950 he was a member of Connecticut's Commission to Reorganize State Government and is presently a member of the Personnel Board here. He holds memberships in the American Political Science Association and the American Society of Public Administration. Prof. St. Germain is married to the former Frances E. Steffy of Providence, R. I. and resides with her and their daughter, Kathy, at 32 Enmore st.

### May Not Require Permit For Gravel

Town Counsel Fredric S. O'Brien has stated that, on the basis of reading the gravel pit by-law, he believes a builder may remove gravel, loam and other materials from lots for which a building permit has been issued — without a permit from the Selectmen.

At issue at the moment is a proposal that a permit be issued to the Realty Construction Co. for removal of excess materials. The firm has already been granted a three-day permit, for removal of a specified amount of gravel, which was to be taken to another of the firm's developments in Wilmington. And the possibility remains that the firm may ask for another, similar permit.

Atty. O'Brien said he believes that the disposal of the sand and

Summer loans are possible for anyone taking an early vacation, or who wishes to borrow larger numbers of books for the long, summer days. Children have their quotas increased from the usual four to six books during the summer, and parents are permitted to take any number of titles at a time, to be stamped September 15.

#### Library Recruiting

Miss Margaret Lane addressed the members of the Merrimack Valley Library Association at Ipswich on May 25, when representatives of libraries of this area held their spring meeting at the public library.

Miss Lane reported on the progress which is being made in recruiting young people to consider the profession of librarianship. She suggested ways in which scholarships have been made attractive to young men and women, and urged librarians to take note of likely young high school students and to try to draw them into the field. There are so many fine libraries waiting for graduates this June that librarianship offers a number of choices, with such a variety of types of work and an international scope of service that the profession should appeal to those good students who are undecided about the future. Brochures on recruiting and scholarships were available to those who attended the meeting.

Other speakers were Miss Marion F. Batchelder, of Stevens Memorial Library in North Andover, and Miss Teresa B. Castle, librarian of Amesbury Public Library, who prepared a joint report on experiments being made in inter-library cooperation.

Miss Lane and Miss Margaret Manning of the staff attended the morning session.

gravel thus removed is of no concern to the Selectmen, under the by-law.

The word "reasonable", he stated, seems to be the key to a decision whether a permit is needed. Under the by-law, the provisions do not apply to cases where removal of materials is incidental to, and reasonably required, by construction, for which permits have been issued.

Thus, even if the material is removed and sold, O'Brien said, the town would have no control, other than an interpretation of the word "reasonable". The building inspector, he felt, should make the interpretation.

"We ought to change that right away", commented Selectman Edward P. Hall. He further said that he believes there must be some provision, either in the by-law or the building code, to prevent sale of the materials thus removed. He said he will look into the requirements and let town counsel know if any contrary provisions to the legal ruling are discovered.

## Workman In Good Condition, Was Trapped By Cave-In

A Chelsea man is listed in "good" condition at Lawrence General Hospital this week, after a land-packed clay trench caved in on him at the housing for the Elderly project May 21.

John Pasquarrella, 49, 96 Winnisimmet st., Chelsea, suffered a right collarbone fracture and questionable internal and head injuries, when he was completely covered by clay, plus a huge chunk of hard-packed clay weighing, workmen estimated, some 300 pounds.

Arthur J. Parker, 49, 6 Fairmont st., Lawrence, was partially trapped in the same ditch, being covered to his hips when the sides of the trench gave way. He was able to get out, however, and assisted in rescuing Pasquarrella. Parker was treated at the Lawrence General Hospital for a sprained right knee and then discharged.

Workmen at the scene said only a small air passage remained above Pasquarrella, allowing him to get some air while rescue crews quickly moved the clay away. They said Parker and the injured man were working in the ditch — some six feet wide by nine feet deep, removing earth from around a sewer pipe. Parker saw the cave-in start and yelled to Pasquarrella, who was on his hands and knees. But before he could move, the clay sides had covered him.

Pasquarrella is employed by the Concrete Construction Co. of Everett, which is installing a pipe to the project. Parker is employed by the Gaffney Plumbing Co. of Lawrence, also working on this part of the project.

A resident of the Veterans Housing development in Memorial cir. saw the accident and notified the fire department. After dispatching the ambulance and a piece of apparatus, Firefighter James Deymond notified police and the Department of Public Works.

All crews of the latter department were notified, at their various locations around the town, and were rushed to the scene to be of assistance. Actually, only a few minutes were needed to dig the man out. Ambulance attendants Roland Joy and Edward Kings, with firefighters Robert West and William Mosher, assisted in extricating the man. Fred Metzner and Arthur and Richard Parker also helped dig the victim out.

Patrolman Roy A. Russell, investigating the accident, took Arthur Parker to the hospital in the police department cruiser.

Fire Lt. J. Woodrow Crowley ordered the job shut down, until adequate shoring is provided in the trench.

## Will Graduate This Saturday

MISS MARION GLENNIE

Miss Marion Glennie, daughter of Mr. and Mrs. George W. Glennie, 21 Wolcott ave., will graduate

from the Boston School of Occupational Therapy Saturday, June 6. A graduate of Pynchard High School and Bates College, Miss Glennie will receive the diploma of the Boston School for work completed in its Post Degree Course.

Following graduation and the traditional "capping" ceremony at the University Club, Boston, Miss Glennie joins the alumni of one of the first schools of its kind in the United States — founded in 1918 at the request of the Surgeon General of the U. S. Army to meet the need in military hospitals. It was later reorganized on a civilian basis as a non-profit organization. World War II brought renewed emphasis to this therapeutic technique of rehabilitation and as more importance is given to the restoration of the sick and handicapped the need for occupational therapists has increased until OTR's are in demand in hospitals and institutions the world over.

Mr. and Mrs. Grant Silva have moved from Maple ave. into the house on Beech cir. which they recently purchased from Ben Babb.

## Seek End To Truck Traffic

Residents of Central and Phillips sts. have petitioned the Selectmen to prohibit heavy trucks on Phillips and Torr sts., and to post speed signs along Phillips and Central sts.

The residents said trucks are using the streets now, with resulting danger to youngsters in the area and damage to property.

It was explained that the trucks have been using these streets because the Ballardvale bridge is closed to all vehicles. The larger ones have to back up several times to negotiate some corners, it was reported.

The petition was referred to Acting Manager Victor Mill Jr., for discussion with the police department.

### WILL GRADUATE

Gael Grant Friedrich, daughter of Mr. and Mrs. Glen Wright Grant of Osgood st., is listed among the candidates for degrees at the

College of William and Mary.

Second oldest institution of higher education in the nation, William and Mary will close its 265th academic year with commencement exercises Sunday, June 7, in Williamsburg. Principal speaker at the event, which will be held in the front yard of the Sir Christopher Wren building, will be J. Lindsay Almond Jr., Governor of the Commonwealth of Virginia. President of the college, Alvin Duke Chandler, will preside and confer degrees.

A student of English at the college, Mrs. Friedrich attended high school in Wilton, N. H. She also attended Sarah Lawrence College for two years before her entrance into William and Mary.

Floral arrangements of gladioli and snapdragons adorned the altar at St. Augustine's Church, Saturday, May 23, when Miss Ann Ellen Dolan, daughter of Mr. and Mrs. Henry J. Dolan, 99 Chestnut st., became the bride of Aime Francis Reming, son of Edward J. Reming, 12 Prospect st., Lawrence. The pastor, Very Rev. Henry B. Smith, O.S.A., officiated at the 11 o'clock nuptial Mass. Seated within the sanctuary during the Mass were Rev. Francis L. Dennis, O.S.A. and Rev. James A. Wenzel, O.S.A. both of St. Augustine's Church.

Miss Mary F. Lanigan played the nuptial music and accompanied the soloist, Mrs. Michael Brennan.

The bride was ushered to the altar by her father and she was preceded by Mrs. H. James Dolan of Norfolk, Va., who served as matron of honor for her sister-in-law. The bridesmaids were Barbara Bobek, Maureen Scanlon and Mary Schruender, cousin of the bride.

Edward J. Reming was best man for his brother and the ushers were H. James Dolan of Norfolk, Va., the bride's brother, Richard Reming, brother of the bridegroom, and Paul Wennik.

For her wedding the bride chose a traditional white wedding gown of silk organza and Chantilly lace. The fitted bodice featured a scalloped Sabrina neckline of sequins and pearls, long pointed sleeves, and a bouffant skirt fashioned with a Chantilly lace bustle in the back that terminated in a chapel train. Her hand rolled imported illusion veil fell from a coronet of orange blossoms and she carried a prayer book arranged with two white orchids, Stephanotis, and lilies of the valley.

The honor attendant wore a gown of yellow taffeta fashioned with a white organza pleated overskirt. She wore a matching yellow coronation crown with matching accessories and carried a hemline cascade of mint green roses and daisies.

The bridesmaids were gowned alike in mint green taffeta and white organza gowns with matching accessories. They carried yellow hemline cascades of roses and daisies.

The Andover Country Club was the scene of the reception with out-of-town guests present from Philadelphia, New Hampshire, Greater Boston, Lowell and Haverhill.

After a motor trip through New Hampshire and Canada, the couple will take up residence at 18 Lenox st., Lawrence.

The bride was graduated from Pynchard High School, and is presently employed in the office of J. P. Stevens & Co., Marland plant, Andover. Mr. Reming is a graduate of Lawrence High School and is employed in the traffic department at Raytheon Mfg. Co., Andover.

## Pack 72 Held Final Meeting

The final meeting of Cub Pack 72, Free Christian Church, has been held. The Rev. James Allyn Bradford, new minister at the Church, was introduced to the boys by Everett Gorrie and gave a short talk on the effect of the scout program on a boy's life.

Den three led the pledge of allegiance. Den four led the "Law of the Pack," and Den two recited a prayer for guidance during the summer.

Den one entertained with a demonstration of various knots and their uses. Boys taking part were Ted Markow, Bruce Manning, Mark Ayarian and Allan Gorrie.

During the Webelos ceremony Allan Thomson, Louis Korovos and David Tinker were presented their badges by their parents. The boys were presented by Cubmaster Norman Pratt and received by Roger Dea, Scoutmaster, who welcomed the boys into the scout troop. Each boy was presented with a neckerchief by a den chief.

Stevens Gorrie read a welcome to the scouts to complete the program.

All Cubs joined in a musical parade using instruments they had made at home from washboards, pots, pans, metal sleds, etc.

All four dens joined in the Indian candle light ceremony to close the meeting.

Den mothers for the year were present including Mrs. Jerry Markow, Eleanor Piscadolo, Grace Thomsoh, Ann Arnold, Dorothy Piercy and Pauline Hamilton.

Cubmaster Norman Pratt, Assistant Cubmaster Arthur Hall, Committeemen Robert Hamilton, Peter Markow and Everett Gorrie conducted the meeting.

### DINNER DANCE

The Shawsheen Heights Association dinner-dance will be held June 27 at the Andover Sportsman Club, Harold Parker state forest. The social committee will call at the homes of members to distribute tickets to those who wish to attend.

## Reunion In June For Class Of 1939

Plans have been completed for a 20-year reunion of the Class of 1939, Puncard High School. The affair will be held Saturday, June 6, at the Shawsheen Manor, beginning with a smorgasboard supper at 7 p.m. Reservations will be available through June 2 and may be obtained from Mary Gates.

Following the dinner, general dancing and reminiscing will take place until midnight.

There are several members of the class, for whom the committee has been unable to obtain an address. Any person having information has been requested to contact a member of the committee in order that the class members may be informed of the reunion. The members include, Carol Orr, Marjorie Shaw, John McCadden Jr., Lilly Kressling, Mary Hagopian, William Bradley and James Benzie.

The committee includes Anna Gill Lynch, Barbara Gillan McDonald, Monica Coleman Walsh, Allan Guild, Helen Anderson Webb, Edith Valentine St. Jean, Shirley Thompson Waldren, Alice Bertram Neil, Donald E. Lundgren, Franklin Buchan and Chester J. S. Harnden.

## League Will Support Compact

The League of Women Voters of Andover, at its annual meeting, voted to back the formation of the Northeastern Water and Related Land Resources Compact. This agreement is on the Governor's desk now and will probably come before the Legislature soon.

This interstate compact would establish a Northeastern Water and Related Land Resources Commission with all New England States eligible for membership. Its purpose is to create a continuing organization for "Co-ordination of the policies, programs, and activities of the several states, and private persons or entities, in the field of water and related land resources, and to study, investigate, and plan the development and use of the same, and conservation of such water and related land resources". Mrs. Joshua Miner is the Andover League's Water Resources chairman.

### DONOVAN GRADUATED SUMMA CUM LAUDE

More than 700 seniors were awarded degrees June 1 at Brown University's 191st annual Commencement. About 517 of the graduating class are Brown men, while the other 196 attended Pembroke College, Brown's co-ordinate college for women.

Among the graduates was Bruce Elliot Donovan, son of Mrs. Harry A. Donovan, 95 High st. A graduate of Phillips Academy, he received the Bachelor of Arts Degree, Summa Cum Laude. As an undergraduate he was a member of the Sphinx Club, honorary student-faculty discussion group; of the Class Cabinet; of the Brown Youth Guidance. He has been named to the Dean's List several times, named a Francis Wayland Scholar, and awarded a Woodrow Wilson Fellowship.

## Dave Pearson Named Outstanding Sr. Athlete

David Pearson was named the outstanding senior athlete, at the annual Booster Club awards banquet last night at the High School. Pearson also received the Varsity Club Plaque award for baseball.

In addition to the awards made known last week, the following presentations were made last night:

Varsity Club Plaque award for track, to Edgar Joiner, co-captain.

Varsity Club special award to George Reed, last year's football captain and one of the three seniors, in recent years, to win a letter in each of the four major sports. Jim Bennett and Burt Damon won a similar award last year.

A special letter-type award went to Lois Bennett, who portrayed the "Blue Devil" for three years.

Betty Campbell, captain of the cheerleaders, presented the award, and in turn, received a gift from captain-elect Marilyn DeMoor.

Boosters Club President James Bennett made the presentation to Pearson; Varsity Club vice president Bill Gallant made the presentation of the baseball award.

Varsity Club President-elect Fred Allen gave the special award to Reed, who, in turn, had made the presentation of the plaque to Joiner.

## Fund Drive Up To 1/2 Of Goal

Victor J. Mill Jr., general chairman for the \$350,000 St. Augustine Building Fund Drive, announced today that the Building Fund has reached the halfway mark with pledges received totaling \$180,000. The largest part of this is from the advance gifts division, division commanders, captains and workers from the parish division.

"These men and the members of their families", stated Mr. Mill, "have set themselves up as an example for all parishioners to follow when the parish drive opens Saturday, June 6, with a Mass at 5:30 p.m."

James Doherty, Parish campaign chairman, also announced that the number of captains and workers needed for the drive was almost attained. He complimented the 10 division commanders for their outstanding performance in enlisting captains and workers. Of the 280 men needed, 254 have already been signed up.

## 3 Arrested At Gunpoint

Three young men are awaiting District Court action next Monday morning, following their arrest by Andover police early in the morning of June 2. All three have been charged with the break at the Stevens home in Lowell Junction.

Chief David L. Nicoll and Sgt. Robert Deymond captured the three men at gun point, when they returned to a car parked in Wilmington. Police allege the trio had just completed a theft at the Hi-Spot in No. Andover, where some \$155 was taken.

The three are James Francis Sheehy 3rd, 18, 180 Spruce st., Lawrence; Harry Wonson Parker, 70 Salem st., Wilmington, age 21; and Frank I. Condo Jr., 19, 92 Union st., No. Andover.

Appearing in District Court Tuesday morning, the case was continued until next Monday at the request of Chief Nicoll.

Parker was held in \$15,000 bail, Condo in \$6,000 and Sheehy, in \$4,000 bail by Judge John J. Darcy.

Police allege that Parker and Condo broke into the Tenney High School May 19 and charges were lodged against the pair on that count, while all three were charged with the Stevens break and the theft at the Hi-Spot.

Five guns, including a sawed-

off shot gun, were found in one of the defendants cars. Some belonged to George Stevens, whose home was entered May 26. A safe taken at that time was recovered, broken open, in a wooded area in Tewksbury, near the high-power lines. Police said they would try to recover a ring and a watch, valued at \$2,500, which the men said they had thrown into the river in Tewksbury.

The arrests ended a cooperative, three-town investigation,

## 3 Appointed To Appeal Board

A three-man committee has been appointed by Acting Manager Victor Mill Jr., with the consent of the Selectmen, to act as a New Building Materials Committee.

The new members are William G. Perry, an architect; James D. Hamilton, a builder; and Arthur Peatman, building supply dealer.

The Committee was set up long ago to handle problems created when any builder wants to use materials that are not specified in the building code, or adopt building procedures not included in the code. The building inspector would normally refer any cases

of this sort to the three men for a decision.

Selectman Edward P. Hall, formerly served on the Committee, but resigned after taking office in March. He suggested the three new men for membership.
